

Coaches Warning for Misconduct

Play will be stopped and an official warning will be given to the head coach – and recorded in the scorebook – for misconduct by the coach or other bench personnel unless the offense is judged to be major, in which case a technical foul shall be assessed.

“Stopping play and making sure that the bench and the coach know that an official warning has been given sends a clear message to everyone in the gym and impacts the behavior of the coach, and in some cases the behavior of the opposing coach,”

“This change in behavior creates a better atmosphere and, many times, avoids the need to administer a technical foul.”
